

POST-GRADUATION

Museology

2021/2022

Objectives

- Provide a wide understanding of approaches to documentation, interpretation, presentation, and preservation of museum assets.
- Allow for intervention and/or rehabilitation in the fields of museology and heritage.
- Enhance organization and implementation of planning projects, as well as projects designed to promote, disseminate and/or rehabilitate cultural heritage and museums.
- Provide relevant knowledge for a professional career in museums and related institutions.
- Provide training for those pursuing a career in museology and heritage protection.
- Provide theoretical and practical knowledge and skills for those aiming to work in, manage, teach, conduct research, and promote Museology, Programming and Management, as well as Preservation and Rehabilitation.

Sessions can also be attended online

Who should attend

- The Post-graduation in Museology is aimed at all those interested in this field and who already work or aim to work in Museums, Municipalities, Public or Private Bodies, Curators, Art Galleries, Foundations, Cultural Tourism, Educational Services, Publishers, Archaeology and Architecture Offices, Heritage and Cultural Management, event Planning, organizing exhibitions and cultural events, among others.
- All those aiming to further their studies in this field.
